

CREATIVE SPACE

TAIRAWHITI COMMUNITY ARTS & CRAFTS STUDIO

CREATIVE SPACE fulfils a unique role as a Community Arts & Crafts Centre for the Tairāwhiti region. It ensures all people, including those living with disabilities (ie, mental illness, learning difficulties or brain injury) and those affected by disadvantage can easily access opportunities to participate in creative activities.

Our aims are to help strengthen confidence and provide accommodating flexibility for members to pursue their interests and broaden their understanding, knowledge, skills and creative abilities.

ART & CRAFT WORKSHOPS 2007

Creative Space offers a regular free programme of tutored Art workshops & pilot community projects to registered members but koha is always gratefully received. Artists from the wider community are also welcome to join us (for a low cost fee). To avoid disappointment, booking is recommended.

These studio room workshop dates may change for reasons beyond our control.

Please confirm with the office the week before the due date.
